

ANNOUNCEMENT

I am pleased to announce the addition of **CTi Controltech** to our **Coen Company / John Zink North American Sales Team**. George Conostas and his team of 9 people will cover Northern California and Northwestern Nevada.

CTi Controltech has offices, fabrication & training facilities, and warehousing in San Ramon, California. Founded in 1976, CTi Controltech has extensive boiler/burner and industrial controls experience providing full service and engineering solutions for industrial process and combustion applications.

CTi Controltech is the exclusive Northern California & Northwestern Nevada representative for Todd Combustion, Gordon Piatt, Coen Company, and John Zink. Additionally they are exclusive reps for Burnham Boiler and leading valve, actuation and automation companies.

CTi is a stocking distributor for Gordon Piatt, Honeywell, Fireye and ASCO.

For all new inquiries or current open proposals that require assistance in this market territory please do not hesitate to contact CTi Controltech to assist in the order closure.

Please join me in welcoming CTi Controltech to our Coen Company team.
