

Date: June 8, 2009

Subject: Rotork - Northern California Representation

Effective June 8, 2009, Rotork Controls Inc. is pleased to formally announce CTi Controltech as our exclusive Northern California & Northwestern Nevada Industrial Distributor for the following divisions of Rotork:

- Rotork Controls – Electric actuators for the heavy-duty valve market.
- Rotork Process Controls – continuous duty modulating actuators for control valve and damper applications.

CTi will continue to be the local exclusive industrial distributor for Rotork Fluid Systems as well, giving CTi access to our full line of products.
