Engineering Solutions for Industrial Process and Combustion Applications

PERSONNEL ANNOUNCEMENT

April 1, 2010

I am pleased to announce Dean Jansen has joined CTi Controltech. He has 28 years of commercial, industrial, and utility experience with a focus in combustion & plant operations. Dean has a BSME (Cal Poly SLO) and is licensed in the State of California as Professional Engineer. For the last 4 years he was Plant Manager for NRG's San Francisco Thermal Energy Facility. Previous to NRG, Dean worked for Coen Company for 25 years progressing from Field Service Engineer, to Global Director of Customer/Field Services.

Dean's responsibilities at CTi will be in the area of Engineering, Project Management, and Service. He will also spearhead CTi's efforts in Energy Efficiency Programs.

Dean's first day with CTi is today. His contact info is below.
